Dear FCC:

Dear Sir's

We CANNOT afford higher airtime rates !

it is hard enough as it is to buy the small cards i buy now , my husband and i
both are working and trying to get bills paid off , and its hard enough to
afford \$25.00 a week as it is ,

I urge you to please DO NOT raise the rates on Tracfone , we simply cannot
afford it !

Thank you for your prompt attention to this matter. Please provide a written
response indicating the status/resolution of this matter.

Very truly yours,

Cathy Nicoll
